

# Belgrade Sightseeing

## 1 DAY TOUR

*Situated at the confluence of the Sava and Danube rivers lies one of the oldest of the European cities and one of its greenest capitals. Being in the centre of the Balkans, Belgrade has withstood more battles than any other capital and holds the record in the number of times that it got leveled to the ground with more than forty times through its entire history. The turbulent and rich history of Belgrade is visible on/at every step. One may say that Belgrade is a living example of architecture of the past two centuries.*
